

# Musky Clubs Alliance of Wisconsin, Inc.

## Fun Fish Facts

Since 1979 the Musky Clubs Alliance of Wisconsin, Inc. has been actively helping the muskellunge fishery in Wisconsin. In fact, in the last 32 years, our list of accomplishments has been pretty impressive and continues to grow!

### Some of the Musky Clubs Alliance of Wisconsin's Accomplishments

Musky fingerlings (over 32,000) have been stocked statewide. Cost: \$238,000

Monies distributed to our 22 member clubs for their local projects and programs total an astounding \$1,346,700.

Scholarships awarded to Wisconsin fishery students (UW-Stevens Point) - \$12,400

Support to start the Great Lakes Spotted Musky program—\$181,000

Support for Wisconsin Musky License Plater—\$16,000

Donations have included:

- WI DNR Musky Projects—\$105,000 (state wide)
- Eagle River and Hayward "Fishing Has No Boundaries" program—\$14,500
- Aquatic Invasive Species Awareness Programs—\$3,200

Advisor to WI DNR on statewide musky concerns and issues

- Through 2018, the Alliance has donated \$101,000 for supplemental musky minnow feed for our state hatcheries and another \$51,000 to the research and equipment funds for DNR musky projects. Thank you for your generous support!
